Life on Kelleys Island

## Kelleys Island School Running Club

The four members of The Kelleys Island School Running Club all met their goal of completing the June 9, 2019 mile Fun Run at the Kelleys Island 5k/10k event. The children had been meeting with Coach Jodie Smith since March to learn how to run for longer periods of time, use different paces, listen to their bodies, eat nutritionally, the importance of hydration, and having fun while expanding their sport skills. Vik and Nik Skeans, and Charles and Caleb Poston supported and encouraged each other throughout the "season" and showed Coach Smith what caring and eager athletes they are! Vik and Charles had run the fun run in previous years. Vik ran a personal best of approximately 8 minutes and 6 seconds. Charles ran a personal best of approximately 8 minutes and 30 seconds. No official times were kept so approximates are given. First time runners, Nik and Caleb both crossed the finish line using their "all out" pace and were both under 13 minutes on the clock! Congratulations to The Kelleys Island School Running Club!

Two members of the Kelleys Island School Running Club recently competed in The 9th Annual Cleveland Track Classic held at Bedford High School, Bedford Ohio. The meet was held on June 29. To attend the meet Vik Skeans and her mother, Nataylia, and Charles Poston boarded the 7:30am ferry

and were met by Coach Jodie Smith at the Marblehead dock. After a one hour and 45 minute drive, they arrived at the meet.

The first event for the runners was the 800 meters, a race of endurance, patience and speed. Coach Jodie was up first in the

## From the Office of the Mayor

As you read this letter, summer will be better than half over and another Island Fest will be history. Wow, where did it go?

So many events have been happening. First, on July 5th was the Russ Wilson 3 on 3 Basketball Tournament, and as always was a great success. On July 13th the Kelleys Island Chamber of Commerce hosted "KI's Got Talent", the first time for this event. Many attended and were treated with some great acts. Finally, there was IslandFest. What a production. The weather was perfect and made for a wonderful weekend.

I had my first public Town Hall meeting on Saturday the 13th. My thanks goes out to Hancock-Wood, George Walton, Bill Barnhart

and Brian Terry who helped to make this a success. Bill Barnhart spoke about our new submarine cable and some of the extras it provides. Fiber Optics are a part of this cable which can help provide better internet service to the island. Hancock-Wood is currently doing a feasibility study to have all homes wired with Fiber Optics. Frontier, one of our wireless internet providers, for a long time was providing our phone and internet service through a wireless connection, but now is leasing part of the Fiber Optic cable for a direct connection to the mainland with the hope of better and faster service. Bill also spoke of the lengthy process to get the project

### "Island Singers" Annual Performance

Admission is free. A free will offering will be appreciated.

The performance will be in remembrance of past members: Gyneth Landis, Carole Frindt, Dottie Simonds, and Marshall Morgan.

To join the "Island Singers" or for more information: Annalee 248-505-0614

### Hey Bud!

Thank you to everyone for all of the support, help, cards, gifts, visits and food. I truly appreciate everything that everyone has done to assist me on the road to recovery. I can't wait to get back into my daily routine and looking forward to seeing everyone soon.

Love You! Gary Finger

women's heat. She was first in her age group. Next was the men's heat. Since there were no other children Charles' age, he toed the line with all of the men. Charlie executed his race plan with patience and finished with a very fine time of 3:53.66, putting him first in his age group!

After getting to watch a few interesting events like the pole vault, the hammer throw, the triple jump and long jump, Vik took her turn on the track in the 400 meter run. One lap around the track, running fast but not too fast so that you can sprint that last 50 meters all out. Vik used her experience from running this event last year, and her matured knowledge of racing to run a personal best of 94.8 seconds for a first in her age group.

Avoiding the hot sun was the goal

for the time before the last event for the runners. Vik and Charles both ran in the 200 meter dash. This race is an all out effort, starting on the back curve of the track and ending with the final stretch to the finish line. Vik was up first and ran a stellar 41 seconds for first in her age group. Charles was up next and experienced the 200 meter for the first time, completing it in 51.25 seconds for 2nd in his age group.

After collecting their medals, the tired Islanders returned to Kelleys Island but with a much deserved stop at BROWNS Dairy Dock before catching the 4pm ferry for home. It was an exciting and successful day for the Kelleys Island School Running Club Members!

## 25<sup>th</sup> Anniversary of Make-A-Wish

Thank you to everyone who supported us this year. Cindra & I (Jeni) plan on swimming from the Coast Guard Station, on Marblehead, to Portside Marina. The first time we swam this, 25 years ago, it was a perfectly calm day and it took us two hours. I will bet that it will take us slightly longer as we have aged and the weather may not cooperate. We have taken precautions this year. If the green or white algae is toxic to swim, Cindra and I will be kayaking over. Next month, I will give all information about how everything went and give you an approximate total.

If you would like to join the Golf Cart Poker Run, meet at Dockers Restaurant at 10am on Saturday, August 3rd for registration. The Swim will take place Sunday, 11:30-12 at Portside Marina.

The raffle this year is new and different. You will have 2 chances to win, either a fantastic Utility Cart (great for your boat or house) filled with gifts and \$400 of Lottery Tickets or \$1000 Cash (to make your year hopefully filled with lots of money.) Buy your tickets at Portside Marina or from Jeni & Cindra. Need not be present to win so get your tickets now and support our Make-a-Wish sister & brother. Tickets are \$5 each or 6 for \$20. Tickets will be drawn at the conclusion of the Poker Run.

## Own a Unique Piece of Kelleys Island!

By Anne and John Bauswein

There is a season for everything, and this season of our lives calls for simplifying. Thoughts of retirement dance in our heads. And so, we are seeking new ownership for this newspaper.

Kelleys Life began in October, 1999, and has become an integral part of island life. We lived on the island with our children during the 2000-01 school year so that we could explore the island in all seasons of the year. And when we returned to the mainland (because of our other newspapers), we left a piece of our hearts here. We hold the memories of that year close to us. (Johanna has two island t-shirts woven into her t-shirt memory quilt!)

This newspaper publishes year round and has built a strong advertising base on both the island and mainland.

If you are interested in owning this island venture, please call John at 440-478-6233. Serious inquiries only, please.

## Seriously groovy parade

This year's Island Fest (July 19-21) commemorated the 50th anniversary of the famous Woodstock concert, held in 1969 in upstate New York. Pictured is the Kelleys Island Chamber of Commerce parade float.

of laying the cable completed. He stated the cable cost was 5.2 million dollars. Kelleys Island customers pay a Submarine Cable charge of \$10.00 monthly which will last twenty years and will only recoup 2 million of that cost! Again, thank you to Hancock-Wood for a job well done.

At our July council meeting, our Clerk-Treasurer informed us of three important items that will be on the November ballot. Our two levies,

Street Maintenance and Fire along with the referendum letting the voters choose to accept the legislation passed by council to have the position of Clerk-Treasurer removed and to have a Fiscal Officer appointed by the mayor. A No vote would keep the position of Clerk-Treasurer elected by the voters.

Enjoy the rest of the summer and hopefully we will have a dry fall.  
Mayor Ron Ehrbar

# Kelleys Island Chamber of Commerce: An Update

**Jordan Killam**

I'm in an extraordinarily good mood as I write this, as we've had almost a solid month of great weather and smiling faces visiting our beautiful island. The look of relief on the faces of business owners is great to see. We're finally all having fun again!

Island Fest 2019 is upon us and each year, it feels like a big struggle to get together. If you've ever planned an event for the entire island, you know this struggle well! The Chamber plans SEVEN events per calendar year (Bike Week Dice Run, 5 & 10k Run/Walk, Mad River Bike Tour, KI's Got Talent, Island Fest, Film Fest, and Treasure Island Day), so we've become experts in this field! I am filled with pride and appreciation for my team and each year, I am astounded by their attention to detail an ability to get things done, no matter what challenges they face.

July's events smoldered. Speaking of challenges, our board President, Tina Callari, had a big one on her hands when she decided to implement a totally new event this year, "KI's Got Talent". We were faced with an opening in our schedule as we are not staging the Kelly Miller Circus this year, and an island-wide talent show seemed like it would do the trick!

The show attracted 19 entries. Each would-be contestant submitted a 1-minute video of their talent and those 19 were whittled down to 12. The day of the show, we had 11 contestants competing (one had to drop out due to unforeseen circumstances). We narrowed them down to a top 3 and they were placed after the final round. Here's the breakdown:

- Grand Prize: Lily Franks (who sang showtunes), winning a total of \$2000 donated by Remax Beyond 2000
- First Runner Up: Grace Hanna (who performed aerial silk acrobatics),

winning a total of \$1000 donated by Merrill Lynch

- 2nd Runner Up: Madison Holzwart (who sang pop and blues songs), winning a total of \$200 donated by Angela Palladino

We would like to thank ALL who participated, including our contestants, judges, additional sponsors Alan Glazen and Northern Haserot, and everyone else who attended this creatively pioneering event. We look forward to staging this next year. Excellent first run, Tina!

This year's Island Fest (July 19-21) commemorated the 50th anniversary of the famous Woodstock concert, held in 1969 in upstate New York. The event's format was typical of festivals in years' past, but with a special 60s era twist. Far out, man! Island Fest, as always, is great fun for the whole family! Sponsored by the Kelleys Island Chamber of Commerce, Island Fest featured Ohio Artisans, local crafters, food vendors, a beer tent, and evening street dances.

Saturday kicked off with a lively and seriously groovy parade, followed by afternoon live entertainment and our legendary fireworks show at dusk. Thanks to all who joined us downtown Kelleys Island at Memorial Park this year!

Film Fest 2019, made possible by our 2019 premier sponsor, Hancock-Wood Electric Cooperative, took place July 26-28 and included the following blockbusters:

- Goonies (inside at town hall), sponsored by the Wolfe family
- Mary Poppins Returns (outside at the ball fields), sponsored by Digger Schwartz
- How to Train your Dragon (inside), sponsored by The Village Pump
- A Star in Born (outside), sponsored by the KI Venture Resort

The Secret Life of Pets (inside), sponsored by Chicklet's Closet

Bohemian Rhapsody (outside), sponsored by the Glazen Family

We owe a huge thank you to our sponsors for our events. Don't forget, you can still donate to Film Fest, Island Fest Fireworks, KI's Got Talent, or any other Chamber event by visiting [KelleysIslandChamber.com/donate](http://KelleysIslandChamber.com/donate).

Our next big event of the 2019 summer calendar is Treasure Island Day, which will occur on September 7. Attendees can spend the day seeking out treasures in this island-wide yard sale sponsored by the Chamber. It's a great way to score some unique finds and see the island. Sellers can participate for a fee of \$20 and will receive a kit that includes advertising, pricing stickers, a Treasure Island Day yard sign and designation on the official Treasure Island Day map. Maps will be distributed at the Island Market and Chamber of Commerce office at 9:00am on the day of the sale. Each participant must purchase their own \$5 permit from the Village Office. You must acquire your permit at least 48 hours prior to the start of the sale. Please be advised the Village will report any sale operating without a permit to the State of Ohio. If you're interested in selling items, please register by visiting our site, [www.KelleysIslandChamber.com](http://www.KelleysIslandChamber.com) under the events tab. Click on the Treasure Island Days event and scroll down to find the form.

What else is new?

Around the Chamber office, August is known as ADVERTISING August. For those who are unfamiliar, The Kelleys Island Chamber of Commerce and Visitors Bureau works closely with Lake Erie Shores & Islands (LESI), the official destination marketing organization for Erie and Ottawa Counties in Ohio, together known as Ohio's Lake Erie

Shores & Islands.

The Chamber pays an annual fee to be designated as a "partner". Through our partnership, we have taken advantage of many features and benefits, including:

- Advertising as a group in the widely distributed LESI travel guide, with over 300,000 copies distributed regionally including Ohio Turnpike, AAA, Indiana Turnpike, and throughout parts of Michigan. Chamber members are offered the chance to appear in this group at a discounted rate.
- Listing our events and destinations on LESI's high-traffic website and in the travel guide
- Listing our island lodgings on the website and in the travel guide
- Tagging LESI and using their "#LakeErieLove" hashtag, in our Facebook and Instagram posts so they can be shared on LESI's popular social media accounts
- Submitting guest blogs to the "Like a Local" series (Jackie Finger of The Village Pump and I have done this)
- Creating beautiful video and photographic content of our island that is featured in high-traffic campaigns
- Coordinating legislative lobbying efforts through LESI. We are currently advocating for better Kelleys

Island specific signage on Rt. 269 and Rt.2.

The Chamber will be spending August recruiting businesses to appear in the widely distributed travel guide.

## EMS News

Well, it's official, Summer is here to stay!

The heat and humidity will quickly drain the body of fluid and energy. During this hot humid weather, it is easy to become dehydrated. Dehydration occurs when you lose more fluid than you take in. If you don't replace these lost fluids, your body doesn't have enough to carry out normal functions.

Thirst isn't always a reliable indicator of the body's need for water. Signs and symptoms of dehydration vary according to your age. Signs of dehydration in a small or young child include: dry mouth or tongue, no tears when crying, no wet diaper for three hours or more, sunken eyes, cheeks; listlessness and irritability. Signs in an adult include, but are not limited to: extreme thirst, less frequent urination or dark colored urine, fatigue, dizziness, and confusion.

Anyone can become dehydrated, but certain people are at a greater risk. Infants and children are vulnerable to dehydration and cannot tell you if they are thirsty, and are unable to get a drink for themselves.

Older adults have a smaller body fluid reserve and your thirst sense become less. Often a mobility problem limits their ability to obtain water to drink.

People with chronic illnesses are at high risk for dehydration. Uncontrolled or untreated diabetes, kidney disease, medications that increase urination, having a cold or sore throat all contribute to dehydration. You are less likely to feel like eating or drinking when you are ill.

People who work or exercise in a

hot environment where the air is humid are less likely to have their sweat evaporate, cooling the body normally. This can lead to an increased body temperature and the need for more fluids.

To prevent dehydration, drink plenty of fluids and eat foods high in water content such as fruits and vegetables. Carbonated drinks are often high in sugar content and do little to prevent dehydration. Alcohol consumption can cause dehydration by increasing the amount you urinate. Avoid caffeine or energy drinks. If nausea or vomiting occurs, replace the fluids with small, frequent sips rather than a large glass of water. Sport drinks will help replace lost electrolytes, in addition to replacing fluids lost.

Remember, if you are active or the weather is hot, there is a greater risk for dehydration. Increasing fluid intake prior to prolonged hot spells or increased activity will help prevent dehydration. If possible, stay inside in a cooler environment. Increase your fluid intake until you have clear or pale colored urine.

Stay cool, Stay safe!

## Zion United Methodist Church – Vacation Bible School

The Zion United Methodist Church hosted their annual Vacation Bible School from Monday, July 22nd through Friday, July 26th. On Sunday, July 28th, the children also presented a program for the congregation during the worship hour. This is always a free event and all children are welcome!

Vacation Bible School met daily and children were welcome to attend as many days as they were able. In addition to learning songs and a skit for the program at church, daily activities included a scripture lesson, a craft, and games. Snacks were provided.

Classes were set up for ages 4 through 14, although they encouraged and welcomed older youth to join in and help with the activities.

As part of the program, the children all took part in a mission project, Alex's Lemonade Stand, a foundation for children's cancer. The VBS children all took turns selling lemonade throughout the week to raise money for the foundation.

We would like to express our thanks to all of the donors and volunteers that helped provide this week long program. Your contributions are truly appreciated.

# Kelleys Island Cookbook

Thank You to Rebecca, Bob, Julio and Martha for creating the Kelleys Island Cookbook. The ladies compiled and created while the guys funded the publishing. What a fantastic way to support our community safety forces.

Rebecca and Martha received a great response to their requests for recipes, from islanders, in order to create a fantastic cookbook. The cookbooks were on sale at Island Fest on the weekend of July 19th. The books sold out. 100% of proceeds have been donated to Kelleys Island EMS and Kelleys Island Police Association.

They have submitted a couple of the recipes for you to try!

## Fishing Report

Walleye

Where: The best bite has been 3 to 6 miles east of Kelleys Island, out of Huron and Vermillion in 28 to 32 feet of water, or Lorain in 45 to 55 feet of water. Catch rates are falling with the increasing water temperatures.

How: The majority of anglers trolling are using spoons behind dipsy or jet divers, as well as crankbaits at speeds of 2.5 to 3.0 mph. Anglers are also having success trolling worm harnesses with in-line weights or bottom bouncers at 1.0 to 1.2 mph.

Largemouth Bass

Where: Largemouth bass fishing has been excellent in various marinas and harbors in the Western Basin, as well as Sandusky Bay in recent weeks as water temperatures have been increasing.

How: Anglers have been doing well casting crankbaits, jigs, and various soft plastic riggings including tubes, Texas rigged worms, creature baits, and Ned rigs at shoreline structure.

Yellow Perch

Where: Anglers are starting to turn their attention toward yellow perch with some good reports coming from the Toledo Harbor Light in 20 to 25 feet of water.

How: Minnows fished under a perch spreader continue to be the presentation of choice for perch anglers, but consider trolling small crankbaits behind a bottom bouncer to locate active fish in loose aggregations.
