ANNUAL MEETING & ELECTION OF OFFICERS

On Aug. 12th, the Association will hold its annual meeting, the major business of which will be the election of officers for the coming year. Ila Dick and Bev Johnson compose the Nominating Committee. Those with terms of office expiring are Nadine Mack, Helena Coulon, June Campbell, and Donna Nowak. Association members are especially encouraged to attend this meeting.

BUTTERFLY FESTIVAL

The Association's official "season" ends this year --as it always has -- with the Butterfly Festival. This is an event of community-wide interest and entertainment.

In addition to the program to be presented by Dr. Jane Forsythe, the annual Association auction and bake sale will be featured. Bea Matso, chairperson of the Ways & Means Committee, asks that donors of goods for the bake sale, auction, or craft tables contact her as soon as possible. Also, there will be a need for many helping hands. Thus members and friends of Association are encouraged to participate in carrying the Festival to a successful conclusion. (Call Bea:746-2774)

ANNUAL TOUR OF HOMES ANOTHER SUCCESS

This year's Annual Tour of Homes was a success from every point of view. The weather cooperated, the visitors thoroughly enjoyed the Tour and the Association realized a profit of \$1,400.00.

Co-chairpersons June Campbell and Ila Dick put together a most effective Tour which emphasized stone structures on the Island and, particularly, the craftsmanship of master mason Godfried Schock, much of whose work was evident at each location.

Of those who opened their homes for the Tour, Chairpersons Campbell and Dick noted:

"We can never thank you sufficiently to express our deep gratitude for helping make our fourth annual "Tour of Homes" successful.

Every one of you were gracious, well-informed and articulate in presenting your home. Many visitors commented on your warmth and helpfulness. Several said it was the best tour on which they had ever been. That is a credit to you (and very satisfying to the chairmen)."

Also thanked were the hosts and hostesses who helped make the Tour interesting and effective:
