TOUR OF HOMES, SAT., JULY 15TH:
Pre-sale of tickets is going well. They are on sale at the Chamber office and from any Board member, if you haven't purchased yours yet. The homes this year are exceptional:

Lovins (Nancy Kelley's home); lots of remodelling/restoring has been done.

Finger's (Overchaser home)

Finger's (Barber shop)

Lahr's (Godfrey Schock)

West's on Division Street (Uri Ward stone home -- outside not yet completed.)

Jorski's (Lange's home -- Cameron House)

Tickets are only \$10.00. We hope to have you join us. Refreshments (cookies and lemonade) will be served at the Old Stone Church.

ART SHOW, also on Saturday, July 15th. Annalee has been working hard to bring us, again, a wonderful display of area talents. The Art Show is free. The Island Singers will perform at the Old Stone Church at 12:00 M (noon).

ANNUAL MEETING, AUGUST 12TH. Roger Long from Marblehead will be our speaker. He will talk about Confederate spies who were captured around the Islands' area. It should be interesting and we surely hope that we will have a nice turnout. Watch for signs posted as reminders.

Membership dues are due! One low price: \$5.00 per person.

BAKE SALE A SUCCESS: In tune with raising money for the museum, a Bake Sale was conducted June 24th. It was a huge success! Thanks to all our members, friends, and

Islanders for making it a success. Ila Dick took charge. Special thanks to her and all who helped. If you missed it, there will be another one this summer. Watch for notices around the Island.

GERMAN DINNER CANCELLED BECAUSE OF SOME UNFORESEEN CIRCUMSTANCES. We do apologize for any inconvenience we may have caused. However, we are still trying to fill our coffers and a Pig Roast is planned for August 18th. This is a Friday and will actually be the night before the Homecoming, Aug. 19th. Tickets are being printed and are ready for advance sale. Great place to take your weekend guests! The proceeds will go towards our Museum Building Fund. Dan Dwight will be our "chef;" he does a tremendous job! Tickets are \$10.00 per person. Call any Board member for tickets and/or information.

ERIE COUNTY GENEALOGY SOCIETY: June 10th was a fun day, except for an hour of rain. The Erie County Genealogy Society came to Kelleys Island for the day. Lydia Bechtel presented a talk at the cemetery, including tales and history; it was enjoyed by everyone. Thanks Lydia! We all went back to the Old Stone Church for a potluck picnic as a treat to the genealogy group. We had to move indoors because of the pour of rain, but a good array of food and beverages was served to about 40 people. Bea Matso set up the tables and helped serve. Thanks. A good time; we made new friends and renewed old acquaintances.

OLD STONE CHURCH REPAIRS: Pardon our dust, but the windows on the south side and part of the front windows were taken out. Several frames were in need of repair as well as some cracked glass. An Amish group of carpenters are repairing and restoring these for us. It will be another expense, but how fortunate we are that someone will take the time to do this for us. We will have the north windows done when the first lot is completed. Always upkeep to be done!

BUTTERFLY FESTIVAL, SATURDAY, SEPT. 16TH. If you would care to join us and want to display or sell some of your wares, please let us know. You may bring your table and set up for \$5.00 or donate something to the Historical Association.

QUILT TICKETS ENCLOSED: This quilt was made and donated by Terri Betzenheimer Behrends in memory of all Betzenheimer and Seeholzer families. Sincerest thanks for this lovely creation! The drawing will be on Butterfly Day. Good luck!

GIFT SHOP ITEMS ARE GROWING: T-shirts and sweat shirts are now for sale. Stop by and take a look! Later this year will be Old Stone Church pins. They are nice -- on order and hope to have them by Homecoming. The Cookbook Edition #1, was reprinted and should be here any day. We're waiting. A small replica of the church is being made; this is to sit on a shelf. All of these would make fine gifts for friends and family. Stop by and look over our wares!
