Visiting the Carousel Museum.

Alex riding one of the carousel horses.

Swimming at Danbury.

Enjoying the new Sandusky Library.

Having fun swimming at Danbury.

# Kelleys Island School Sports

Kicking our year off to a good start, Kyle, Skyler, J.P., Grant, Valerie and Marie ran their way through the fields, mud and trails of Kelleys Island. They were part of our pilot Cross Country team and fared well under various conditions. They ran every day after school and even in the early morning hours. They participated in the Cardinal Stritch Meet and the Bettsville Invitational. They also ran against Danbury, Port Clinton, MCV D and Genoa. As a coach, I was proud of their efforts and the heart it took to finish a run let alone a race. Our running club members, Natalie Holmes and Mallory Coulon, ran right along with us. Congratulations on sticking with it!!

-- Miss Leary

# Kelleys Island School Sports

Track and Field this year was unique with traveling opportunities, plane, ferry, car and the efforts of its players. D.J. Krzynowek showed a lot of heart, determination and dedication in shot-put and discus. His efforts are to be commended and applauded by all. Meets were held at Danbury, Margareta and Port Clinton. Matt Burkhart assisted in coaching, which was beneficial to everyone. After a successful season, we are looking forward to next year and hope that more students will join us.

-- Miss Leary

The Green Devil wrestlers, Jimmie O'Dee, Bobby Coulon, Billy Minshall and Skyler Gordon, had a successful 2004 season. All participants achieved their own personal goal of winning a trophy and placing at some of the meets. At Margareta, Jimmie placed 2nd. He also placed 2nd at the Clyde meet and Bobby earned 4th place at Clyde and Port Clinton along with Skyler earning 4th place as well. The Biddy Wrestling program is getting very popular throughout the state of Ohio. The tournaments were very competitive and loaded with talent, both boys and girls.

-- Matt Burkhart
