Bobby Coulon, Ben Krzynowek, and James O'Dee represented the Kelleys Island Green Devils Wrestling Team this year. From the beginning, each wrestler was excited for every practice as well as for meets. During the meets, Bobby, Ben and James represented the school respectfully and showed great class and sportsmanship. Study sessions were held before practice to help the wrestlers maintain a grade average of "C" or better.

I am looking forward to next year and building off the season we just left behind. It was an honor and a privilege to work with the kids and be a part of their lives. I thank the Kelleys Island School and parents for giving me such an honor. I look forward to seeing our returning students and hopefully some new faces for the next season.

--Coach Jamie Frohne
