✧ Dennis ✧

In our hearts we knew one day this would be your day of independence.

You have shown how much you have grown; but son, you will always be our little one.

Love,
✧ Mom & Dad ✧

"We embrace that which defines us."

Page designed by
David Oblinger.

I've gone to Kelleys Island School since first grade. I can remember the first day I entered the building. Over the years, this school, this island has become a home, and I will truly miss being a part of the community. However, with the addition of post-secondary curriculum, I now crave further college education and will join the students at the University of Toledo in their psychology program. I would like to offer thanks to all those who have influenced my educational interests and progress.

"The past is but the beginning of a beginning, and all that is and has been is but the twilight of the dawn."

- H.G. Wells

Live as if you were to die tomorrow. Learn as if you were to live forever.
Mahatma Gandhi

David,

We are so proud of you!! You've grown into a wonderful young man. Every time I look at you, I'm reminded of all the amazing and fun things you've said and done. You have a unique grasp and understanding of human nature. With this and a great sense of humor (a most valuable asset), you will be thoroughly enriched as you travel through life's adventures. Always remember- Everyone you meet and everything you come in contact with- happens for a reason. The homeless man you help on the street or the small child in need of your advice could be a guardian angel in disguise. Embrace life with a passion! Learn everything you can. Never underestimate anything or anyone, and don't let anything discourage you. Always try to know the complete story about others before judgment. As you well know- things are not always as they seem. Do what you love in life and have fun with it. Be strong, follow your heart, and stand by your convictions as you've always done. Make this a great world—We'll always be here for you.

Love, Mom, Dad, Linda, Amy, Bob
